

# 2026 Irondyke Family Camp

## July 19-25

### Train Yourself for Godliness

Speaker: Dr. Darren Williamson

Dr. Darren Williamson is the founding Director of the Northwest School of Discipleship in Tigard, Oregon. He is a native of the Pacific Northwest and has ministered in churches for more than thirty years in Texas, British Columbia, Washington, and in Oregon. Over the years he has taught at several Christian Universities and community colleges, including Cascade College, and now teaches several courses in the NWSD curriculum.

Darren holds a BA & MS in Bible and an MA and PhD in History and is fascinated and inspired by followers of Christ throughout the ages, especially during the sixteenth-century Reformation. He loves working with students in Project Antioch, the gap year program of the NWSD, and thoroughly enjoys mentoring young men for ministry through the school's Preaching internship program. He is the author of the *Family Worship Guide (2020)*, which helps parents learn how to disciple their children through regular worship time in the home. Darren is a growing – yet imperfect - disciple of Jesus, a devoted husband to his wife Melody, and a loving father to eight wonderful kids.

This year Family Camp will focus on the theme of godliness and the need to train for it. Godliness is the characteristic of a "life totally consecrated to God" and not something that comes naturally or without effort. Salvation is a free gift of God, but growing in godliness takes training and "holy sweat". During this week we will learn the tried and true Biblical practices that help train us for godliness.

**Register & more info at:**

**[www.campirondyke.com](http://www.campirondyke.com)**

**Cost: \$30 per person or  
\$75 per family**
